1. DATE AND CALL OF COUNTY CONVENTIONS

County conventions shall be held at 7:00 p.m. Eastern Time, Tuesday, March 22, 2016, throughout the state at locations registered with the Michigan Republican Party (“MRP”) by Saturday, February 27, 2016.

The location, time and date of meeting of all such county conventions shall be designated in the call issued for such convention by the chair of the county executive committee (whose term of office commences January 1, 2015), by Saturday, February 27, 2016. For the purposes of these Rules, the term “county committee” shall be read to include the congressional district committees in Wayne County and the congressional district portion committees within the boundaries of Wayne County.

The county executive committee must forward by first class mail a copy of such call to the most recent Republican nominees for state legislative office, the most recent Republican nominees for county office, each precinct delegate duly elected at the August 5, 2014 primary election, and those precinct delegates elected to permanently fill vacancies at all subsequent county conventions. In addition, such call shall be sent to all Republican incumbent members of the State Legislature and the Michigan Congressional delegation, Statewide Officeholders, the Republican National Committeeman and National Committeewoman from Michigan and Michigan Republican Party Officers (see Rule 5C), where such person resides in the county in question.

As an alternative to forwarding the call by first class mail, the chair of the county executive committee may, at the chair's option, forward the call by email transmission provided that the following conditions are met:

- A. The call is directly emailed to the individuals required to be notified by this Rule no later than February 16, 2016, and shall ask each recipient to confirm receipt of the call by email by no later than February 20, 2016. The call may not be sent by Facebook, Twitter, or using any other social media site.
- B. The chair of the county executive committee shall copy the secretary of the county executive committee on the call emailed to individuals.
- C. The call shall be mailed first class to any individual required by this Rule who does not respond to the call sent by email, by confirming receipt of the call by email by February 20, 2016.
- D. A printed copy of each confirmation received by email shall be printed and made available to any delegate at the county convention.

In the call to the county convention, the county executive committee shall make the following request:

PRECINCT DELEGATES AND CERTAIN AT-LARGE DELEGATES GIVEN THE PREFERENCE UNDER RULE 9 OF THE CONVENTION RULES, BUT WHO DO NOT ATTEND THE COUNTY CONVENTION, MUST NOTIFY THE CHAIR OF THE COUNTY EXECUTIVE COMMITTEE (_____) OR THE FOLLOWING DESIGNEE(S)(_____) IN WRITING (THE "NOTIFICATION") OF THE PERSON'S INTENTION TO BECOME A DELEGATE OR ALTERNATE DELEGATE TO THE STATE CONVENTION. THE NOTIFICATION CAN BE IN ANY WRITTEN FORM, INCLUDING BY LETTER OR EMAIL, AND MUST BE RECEIVED BY THE CHAIR OF THE COUNTY EXECUTIVE COMMITTEE (OR DESIGNEE) BY NO LATER THAN THE START OF THE COUNTY CONVENTION. FAILURE TO PROVIDE THE NOTIFICATION AS PROVIDED HEREIN SHALL MEAN THAT THE PERSON SHALL NOT BE GIVEN THE PREFERENCE UNDER RULE 9 OF THE CONVENTION RULES. IT IS NOT NECESSARY TO SEND A NOTIFICATION IF A PERSON ATTENDS THE COUNTY CONVENTION.

Although all candidates for state legislative office, county office, and precinct delegate shall receive a call to the county convention, the call must indicate that ONLY DULY ELECTED PRECINCT DELEGATES AND THE REPUBLICAN NOMINEES FOR STATE LEGISLATIVE AND COUNTY OFFICE SHALL BE ALLOWED TO VOTE ON MATTERS AS MAY PROPERLY COME BEFORE THE COUNTY CONVENTION (IN ADDITION TO REPUBLICAN INCUMBENT MEMBERS OF THE STATE LEGISLATURE AND THE MICHIGAN CONGRESSIONAL DELEGATION, STATEWIDE OFFICEHOLDERS, THE REPUBLICAN NATIONAL COMMITTEEMAN AND NATIONAL COMMITTEEWOMAN FROM MICHIGAN AND MICHIGAN REPUBLICAN PARTY OFFICERS WHERE SUCH PERSON RESIDES).

In the event that delegates to the state convention to be held on April 8-9, 2016, (hereinafter sometimes referred to as the "State Convention") are to be elected by an apportionment method in a county convention, as set forth in Rule 9A, a copy of such apportionment specifically listing apportionment districts and the delegates apportioned thereto shall be included in the call issued for such convention and mailed to delegates and Republican nominees.

A copy of the official call for county conventions must be received by the County Clerk and the MRP Headquarters, 520 Seymour Avenue, Lansing, Michigan 48933, by Saturday, February 27, 2016.

If the MRP does not receive the official call by February 27, 2016, the State Party Chair is authorized to rescind any call which may have been or will be issued by the chair of the county executive committee. The State Party Chair is further authorized to issue a call to that county convention.

2. COUNTY CONVENTIONS

Except for Wayne County (where conventions are held by congressional district or parts of congressional districts within the boundaries of Wayne County), there shall be no separate congressional district conventions; only county conventions are to be held pursuant to these Rules. For the purposes of these Rules, the term “county convention” shall be read to include those conventions held by congressional districts in Wayne County or parts of congressional districts within the boundaries of Wayne County. Where county conventions are held in counties containing more than one congressional district or parts of more than one congressional district within the boundaries of the county, the county convention shall meet as one body for all business purposes, including the election of a chair of the full convention in accordance with Rule 3, except that the various congressional districts or portions of congressional districts within the county shall caucus separately, in sub-conventions, at that county convention for purposes of selecting delegates and alternates to the State Convention. The temporary congressional district chair (as selected pursuant to Rule 4) for each such congressional district portion of the county, shall call such congressional district sub-convention within the county to order. In addition to electing delegates and alternates to the State Convention, each county convention shall discuss (but not necessarily take any action) the issues that will be considered by the State Convention.

3. COUNTY CONVENTION CHAIR

The county convention shall be called to order by the chair of the county executive committee. The county chair shall act as temporary chair until the delegates elect a permanent chair. A permanent chair shall be elected as follows: The county chair shall cause to be read both the list of precinct delegates duly elected at the August 5, 2014 primary as certified by the County Clerk, those precinct delegates elected to permanently fill vacancies at all subsequent county conventions, and the list of at-large delegates. As the name of each delegate is called, the delegate shall state his or her choice for permanent chair. The person receiving the majority of the votes of the delegates present shall become permanent chair. The convention may waive the reading of the list of delegates.

4. SELECTING THE TEMPORARY CHAIR OF THE CONGRESSIONAL DISTRICT PORTIONS OF THE COUNTY

The temporary chair of each congressional district portion of a county shall be selected as follows:

If a chair of one of the current fourteen (14) congressional districts resides in a congressional district portion of the county, this person shall be the temporary chair of that congressional district portion of the county.

If no chair of one of the current fourteen (14) congressional districts resides in a congressional district portion of the county or is unable to attend the county convention, then the vice chair of the congressional district shall be the temporary chair of that congressional district portion of the county.

If no chair or vice chair of one of the current fourteen (14) congressional districts resides in the congressional district portion of the county or is unable to attend the county convention, then the chair of the congressional district shall designate the temporary chair of that congressional district portion of the county.

If no chair, vice chair or chair's designee of one of the current fourteen (14) congressional districts resides in a congressional district portion of the county or is unable to attend the county convention, then the county chair (or the State Party Chair, if in Wayne County) shall select the temporary chair of that congressional district portion of the county.

5. COUNTY CONVENTION DELEGATES

A. Delegates

Delegates to county conventions held March 22, 2016, for the purpose of electing delegates and alternates to the State Convention, shall be the precinct delegates as elected at the August 5, 2014, primary election, those precinct delegates elected to permanently fill vacancies at all subsequent county conventions, and the most recent Republican nominees for state senate, state representative, county-wide and county commission positions, all incumbent Republican members of the State Legislature, the Michigan Congressional delegation, Statewide Officeholders, the Republican National Committeeman and National Committeewoman from Michigan and Michigan Republican Party Officers (see Rule 5B) where such person resides in the county in question. These persons will be henceforth referred to as “at-large delegates.”

In the event that a delegate arrives at the county convention following its commencement, that individual shall be immediately seated after reporting to the secretary of the county convention. Such delegate thereafter shall cast his/her vote on all convention business.

B. Candidates as Delegates

All Republican members of the State Legislature and the Michigan Congressional delegation shall be entitled to attend the county convention as delegates at-large of the county convention where such person resides.

The following Statewide Officeholders shall be entitled to attend the county convention as delegates at-large of the county convention where such person resides:

- (1) The governor, if the Governor is a Republican;
- (2) The lieutenant governor, if the Lieutenant Governor is a Republican;
- (3) The secretary of state, if the Secretary of State is a Republican;
- (4) The attorney general, if the Attorney General is a Republican;

- (5) A United States senator, if the United States Senator is a Republican;
- (6) A Member of the State Board of Education, if the Member of the State Board of Education is a Republican;
- (7) A Member of the University of Michigan Board of Regents, if the Member of the University of Michigan Board of Regents is a Republican;
- (8) A Member of the Michigan State University Board of Trustees, if the Member of the Michigan State University Board of Trustees is a Republican; and
- (9) A Member of the Wayne State University Board of Governors, if the Member of the Wayne State University Board of Governors is a Republican.

The most recent person nominated as a Republican candidate for state legislative or county office shall also be a delegate at-large to the March 22, 2016 county convention in which such person maintains his/her legal residence.

Officers of the Michigan Republican Party, as defined in the Bylaws of the Michigan Republican State Committee (as amended), the fourteen (14) Congressional District Chairs and the Republican National Committeeman and National Committeewoman from Michigan shall also be delegates at-large to the March 22, 2016 county convention in which such person maintains his/her legal residence.

The number of delegates at-large shall be in addition to the number of delegates specified in the call for the March 22, 2016 county conventions.

C. Filling of Precinct Delegate Vacancies

For purposes of filling a vacancy in precincts where no precinct delegate was elected, a county convention may fill such vacancy for the balance of the unexpired term by a majority vote of the precinct delegates present, provided that the vacancy shall be filled by a person who is a qualified registered elector residing in the precinct in which such vacancy occurs.

For purposes of filling a vacancy in precincts where a vacancy results from a precinct delegate, duly elected, having died, resigned, or changed voter registration out of the precinct from which the precinct delegate was elected, a county convention may fill such vacancy for the balance of the unexpired term by a majority vote of the precinct delegates present, provided that the vacancy shall be filled by a person who is a qualified registered elector residing in the precinct in which such vacancy occurs.

For purposes of filling a vacancy in precincts where a precinct delegate, duly elected, fails to attend this particular county convention or, if the convention wishes, the vacancies described above, such convention may fill such vacancy on a temporary basis for only this convention by a majority vote of the precinct delegates present, provided that the vacancy shall be filled by a person who is a qualified registered elector residing in the precinct in which such vacancy occurs.

Where a precinct delegate vacancy is filled on a permanent basis, the convention chair and secretary shall forward such names and addresses with precincts/wards indicated to the MRP headquarters by Monday, March 28, 2016, along with the certified list of delegates and alternates to the State Convention. Failure to forward such names in this manner shall mean that the vacancy was filled temporarily.

In a county convention, the convention, acting as one body, shall determine whether to fill precinct delegate vacancies, and shall, if it shall so determine, fill such vacancies. In no event shall a precinct delegate vacancy be filled, either on a permanent or temporary basis, until after all voting for State Convention delegates or alternates is completely finished.

D. No Restriction on Qualification of Delegates

The individuals who can attend and participate in the March 22, 2016 county conventions are referenced in these Rules. The county convention may not adopt or enforce any restriction on the qualification of the delegates who can attend and participate in the March 22, 2016 county conventions, including but not limited to, the requirement that a county convention delegate must be a dues-paying member or a contributor to the county party in question.

E. Participation in Other Political Party Conventions and Nominations Prohibited

Persons who have been a delegate or alternate to a convention or a candidate of a political party other than the Republican Party shall be ineligible to be a delegate or alternate to a Republican county convention or the State Convention during the same 2-year election cycle.

6. PROXY VOTING PROHIBITED

No delegate to any convention or caucus governed by these Rules may give a proxy to represent him/her at such convention or caucus.

7. DELEGATE COMMITMENT

Before an individual may serve as a delegate or alternate to the 2016 Republican National Convention (the “2016 Republican National Convention” or “National Convention”), that individual shall sign a presidential preference form (see Exhibit A) including 1 of the following:

(a) The name of the candidate for president of the United States that he or she is bound to vote for at each stage of the nominating process until the end of the first ballot at the

2016 Republican National Convention, unless otherwise released from that commitment as set forth in these Rules. The presidential preference form, once filed, may not be amended.

(b) If, at any time, in the event that the uncommitted vote becomes entitled to an allocation of National Convention delegates and alternates as provided in Rule 19, then an individual shall be allowed to amend his/her presidential preference form to include a statement that the individual is uncommitted regarding the candidates for president of the United States.

Except upon occurrence of any of the events referenced in Rule 19E, an individual elected as a delegate to the 2016 Republican National Convention is bound to vote at each stage of the presidential nomination process until the end of the first ballot at the 2016 Republican National Convention for the candidate for president of the United States that he or she designated a commitment to on the presidential preference form as required before his or her election.

All candidates for National Convention delegate and alternate shall file the form required above with the Credentials Committee by 6:00 pm on Friday, April 8, 2016, which is prior to the vote for National Convention delegates and alternates at each district caucus.

In the event that a Republican presidential candidate is not allocated and/or loses delegates and alternate delegates by operation of Rule 19E, each individual signing a presidential preference form bearing the name of such candidate shall be deemed to be an “uncommitted” delegate or alternate delegate to the National Convention.

8. DELEGATE APPORTIONMENT TO STATE CONVENTION

The number of delegates elected to the State Convention shall be apportioned to the several counties in proportion to the number of votes cast for the Republican candidate for Secretary of State in each of said counties, respectively, at the 2014 November election. This apportionment shall be determined by the Credentials Committee. No delegation may be enlarged by apportioning a fractional vote to each of the delegates. In addition to the proportionate number of delegates allocated to each county, all incumbent Republican members of the State Legislature and the Michigan Congressional delegation, Statewide Officeholders, the Republican National Committeeman and National Committeewoman from Michigan, Michigan Republican Party Officers and the fourteen (14) Congressional District Chairs (see Rule 5B), shall be entitled to attend the State Convention as delegates at large of the congressional district in which they reside. The authority to approve the final apportionment of delegates to the State Convention is delegated to the Credentials Committee.

9. METHOD OF ELECTING DELEGATES AND ALTERNATES TO THE STATE CONVENTION

The county conventions may exercise one of two options for electing State Convention delegates and alternates--the apportionment method or the at-large method. The convention must use one or the other system. If the apportionment method is used and there are still

vacancies in the State Convention delegation or alternate slate(s) following such elections, these only may be filled by an at-large vote.

In order to recognize the importance of precinct delegates, a precinct delegate duly elected at the August 5, 2014 primary election; shall be given preference (over a non-precinct delegate) to be elected as a delegate or alternate to the State Convention. Between two or more such precinct delegates, no preference shall be given. In order to recognize hard-working Republicans, who may not be precinct delegates, a county convention, acting as one body, may authorize the election of eligible individuals (not to exceed 10% of the number of State Convention delegates allocated to that county or congressional district portion or up to two individuals, whichever is greater) not subject to this preference, as though they were, to attend the State Convention as delegates or alternates. In counties containing more than one congressional district or congressional district portion, the actual selection of individuals to whom this preference shall be granted, if authorized by the full county convention, shall be executed in the respective district caucuses of the county convention. Violation of this preference requirement is subject to challenge pursuant to Rule 9C.

To facilitate this process, before any voting on the delegates or alternates to the State Convention occurs, the chair of the county convention or the congressional district or congressional district portion sub-convention shall make an announcement seeking the names of those precinct delegates in attendance who wish to attend the State Convention as a delegate or alternate.

The precinct delegate preference requirement may not be compromised by use of the apportionment method. Under the precinct delegate preference requirement, a precinct delegate is given preference even if the precinct delegate lives in a different city, township, or district under an apportionment method. Stated differently, a non-precinct delegate who lives in an apportionment district, may not be given preference from a particular apportionment district over a precinct delegate who lives in another apportionment district.

Any person is eligible to run for delegate or alternate to the State Convention irrespective of whether they are precinct delegates or in attendance.

The numerical ranking of alternate delegates to the State Convention is not subject to the precinct delegate preference requirement; however, in a county using the apportionment method or containing more than one congressional district or portions of more than one congressional district, the county convention (as a whole) may choose to apply the precinct delegate preference only to alternate order within the individual caucuses electing alternates and to allow countywide numeral order to be determined in a manner that respects caucus numerical order.

For the purposes of these Rules, certain at-large delegates to the county convention (the most recent Republican nominees for state senate, state representative, county-wide and county commission positions where such person resides in the county in question) shall be given the same preference as precinct delegates to be elected as a delegate or alternate to the State

Convention. Between two or more precinct delegates or such at-large delegates, no preference shall be given.

County conventions shall elect alternates to the State Convention in the same number and in the same manner as the election of delegates. Delegates and alternates shall be registered electors of their respective counties and districts, and no delegate or alternate will be entitled to a seat in the State Convention who does not reside in the county and district he or she proposes to represent. In a county containing more than one congressional district or portions of more than one congressional district, the various congressional districts or portions of congressional districts shall caucus separately at that county convention for purposes of State Convention delegates and alternate selection; delegates from one congressional district may not select State Convention delegates and alternates with respect to another congressional district.

A. Apportionment Method of Electing State Convention Delegates and Alternates

At the time of issuing the call for a county convention, the county executive committee may apportion to the various wards, precincts, townships, cities, or districts, of such county the delegates to the State Convention to which such county is entitled.

The delegates to the county convention from each ward, precinct, township, city, or district, as the case may be, shall choose the delegates to the State Convention that have been apportioned to such ward, precinct, township, city, or district. The number of delegates so apportioned to the several wards, precincts, townships, cities and districts shall approximate, as nearly as may be, the number of delegates to which said county may be entitled.

If the apportionment system of delegate selection is employed in accordance with Rule 1, contiguous townships, cities, or electoral districts, as the case may be, may be joined together for the purpose of creating single or multi-delegate districts for the purpose of state delegate and alternate selection; provided, however: (1) townships, cities, or districts which may be joined together must be contiguous to each other; and (2) only whole townships, cities, or districts may be joined together - no divisions of these jurisdictions within a county's boundaries shall be permitted.

If the apportionment system of delegate and alternate selection is used, the apportionment system must be based on the same formula referenced in Rule 8 to apportion State Convention delegates (i.e. based on the 2014 vote for the Republican candidate for Secretary of State).

Under an apportionment system of delegate and alternate selection, when the electing bodies (ward, precinct, township, city, or district, as the case may be) created for delegate and alternate selection have completed their selections, such choices are final and may not be changed by the county convention.

In the event that a delegate and alternate selection district (ward, precinct, township, city, or district, as the case may be) does not elect its full delegation, then such

vacancies in the delegation to the State Convention shall be filled, at-large, by the full county convention.

In the event that an apportionment method of electing delegates to the State Convention is utilized, all delegates shall be apportioned; there shall not be reservations of certain state delegate positions as at-large positions.

An apportionment plan which satisfies the requirements of these Rules must be precisely followed by the county convention and cannot be changed or ignored by the convention or any sub-unit of the convention. As indicated in Rule 1, any apportionment plan to be used at the county conventions must be devised prior to the issuance of the call to the delegates and must be included with the call to the delegates.

B. At-Large Method of Electing State Convention Delegates and Alternates

If the at-large method is used, or if the apportionment method is used but is not completed or followed in the selection of delegates, the convention shall choose the delegate or delegates to which such ward, precinct, township, city or district may be entitled.

When selecting delegates and alternates at-large in a county convention, there is no requirement for apportionment of State Convention delegates or alternates to any areas of the county. All delegates and alternates are selected by the entire county convention; provided, however, that in a county containing more than one congressional district or portions of more than one congressional district, the various congressional districts or portions of congressional districts shall caucus separately at that county convention for purposes of State Convention delegate and alternate selection.

Conventions may employ any one of several methods of at-large delegate and alternate selection:

(1) Nominations from the floor. If nominations are made individually, then if the number of nominees exceeds the number of State Convention delegates and alternates, each convention delegate votes for each position on the State Convention delegate and alternate slate.

(2) A nominating committee may be appointed by the chair. The chair of the county convention or the county portion of a congressional district may appoint a committee to draw up a proposed slate of delegates. This committee may be of any size. The committee then develops a proposed slate of delegates and alternates, which is presented to the convention for approval.

Chairs often appoint a nominating committee weeks before the actual convention so that the names chosen for the slate are carefully researched and selected. For this to be permissible, the convention chair must reappoint the same committee at the convention.

Whenever nomination is by nominating committee, the rules adopted for

that convention should include a clause stating that “the report of the delegate selection committee [or something similar] shall be received.”

Once the slate is received, it may be amended by the convention. A motion may be made to strike one or more names and replace it/them with others. Thus, the slate is amended until it satisfies a majority of the convention, and then it is approved.

(3) Groups may propose their own “slates.” When nominations are by slate, then the choice may be made between opposing slates. If a slate-vs-slate system is used, the procedure must be approved by the convention before the votes are taken.

If nominations are by nominating committee or by slate, the most common technique is to propose a slate and allow it to be amended by the convention. A slate is amended by a motion to strike one or more names and replace it/them with others. Thus, the slate is amended until it satisfies a majority of the convention, and then it is approved. A slate must comply with the precinct delegate preference provisions of this Rule.

C. Credentials Challenges

All credentials challenges shall be filed with the MRP Headquarters no later than 11:59 PM Eastern Time, Monday, March 28, 2016; provided, however, that the Credentials Committee may extend this challenge deadline in the event that the chair of the county convention subject to challenge fails to report the delegate/alternate list in accordance with the time frames established by Rule 10. Such challenge must be signed. Since the burden of proof necessary to sustain a challenge is upon the challenger, some tangible evidence of the challenge must be provided to the Credentials Committee as part of the challenge. No challenge raised after 11:59 PM Eastern Time, Monday, March 28, 2016 (unless extended as provided herein) shall be considered. Only credentials challenges timely filed, shall be decided by a Credentials Committee comprised of the State Party Chair, the Budget Committee Chair, the Policy Committee Chair, the National Committeeman, the National Committeewoman, the State Party General Counsel, and the State Party Co-Chair. Such Committee shall be chaired by the State Party Chair who shall call a meeting of the Committee by Wednesday, March 30, 2016, at a time and location he shall establish. The Credentials Committee may meet, if the Chair so desires, via conference call. Immediately upon receipt of a challenge, the Credentials Committee shall provide notice to the chair of the county convention subject to challenge and, if time permits, the chair of the county convention subject to challenge may offer a response to the challenge. The Credentials Committee's decision shall be communicated to the challenger and the chair of the county convention subject to the challenge within 48 hours after the decision is made. The Credentials Committee's decisions shall be communicated to the Rules Committee of the State Convention, and shall become part of that Committee's report and shall not be subject to change by the full State Convention absent a two-thirds (2/3) vote of the delegates present and voting. The Credentials Committee's decisions shall result in the issuance of credentials by the Convention officers prior to the district caucuses on Friday, April 8, 2016. All matters relating to delegates and alternates to any convention, shall be determined by the Credentials Committee, whether or not such matters are referenced in these Rules as falling within the jurisdiction of the

Credentials Committee.

10. PROCEDURE FOR REPORTING SELECTION OF DELEGATES AND ALTERNATES

The chair of each county convention shall send a certified list electronically in Microsoft Excel format of the delegates and alternates chosen by such county convention in a form prescribed by the State Party Chair to the MRP by 12:00 PM, Eastern Time, of Monday, March 28, 2016. Each delegate certification sheet shall provide the registered voting address of each State Convention delegate and alternate so that the temporary roll of the State Convention may be prepared. Any forms not received electronically in Excel format by the MRP by 12:00 PM, Eastern Time, of Wednesday, March 30, 2016, will not be received and therefore will have to be presented before the Credentials Committee (see Rule 9C) prior to seating any delegate from the county convention in question.

The State Party Chair shall make available a list of the delegates and alternates for a particular county convention to: (1) any State Convention candidate, or his or her representative; or (2) any delegate or alternate delegate to the county convention in question.

In addition to the District Chairs, National Committeeman and National Committeewoman who are automatic Convention officers, the State Party Chair shall have the discretion to appoint Convention officers to govern the State Convention.

11. CREDENTIALS COMMITTEE

The Credentials Committee shall meet to create a slate of at-large delegates and at-large alternates to the 2016 Republican National Convention pursuant to Rule 16. An individual who is seeking election as a delegate at-large or alternate delegate at-large to the 2016 Republican National Convention shall submit his or her name to the Credentials Committee for consideration no later than 11:00 p.m. Eastern Time on Friday, April 8, 2016. The names of any individuals not received by this time shall not be considered by the Credentials Committee. The Credentials Committee shall submit the slate of National Convention delegates and alternate delegates at-large to the secretary of the State Convention prior to 9:30 a.m. Eastern Time on Saturday, April 9, 2016.

12. ISSUANCE OF CREDENTIALS

All credentials shall be issued by Convention officers at a location or locations convenient to the sites of the congressional district caucuses and the State Convention. Credentials shall only be issued to each delegate, alternate, guest, or VIP personally and individually, and no other person is authorized to pick up credentials on behalf of such person. Prior to being issued credentials, each delegate, alternate, guest, or VIP, shall identify himself or herself by presenting an official state identification card, operator's or driver's license, or other generally recognized government issued picture identification card. All credentials challenges shall be decided by the Credentials Committee.

13. CONGRESSIONAL DISTRICT CAUCUSES

The delegates and alternates to the State Convention shall caucus in fourteen (14) congressional district caucuses at 7:00 p.m. Eastern Time (as determined by the State Party Chair) on Friday, April 8, 2016, in Lansing, MI, for the following purposes:

- electing one (1) Convention Vice Chair (to preside as Chair of the District Caucus)
- electing one (1) Assistant Secretary (to serve as Secretary of the District Caucus)
- electing three (3) National Convention delegates
- electing three (3) National Convention alternate delegates

All congressional district caucuses shall follow Robert's Rules of Order Newly Revised on matters not covered by these Rules. Before the permanent officers are elected for each congressional district caucus and before the vote to elect National Convention delegates and alternates, State Convention delegate vacancies shall be filled as provided in Rule 14.

The temporary chair of each congressional district caucus shall be selected as follows:

If a chair of one of the current fourteen (14) congressional districts resides in the congressional district, this person shall be the temporary chair of that congressional district caucus.

If no chair of one of the current fourteen (14) congressional districts resides in the congressional district, or is unable to attend the district caucus, then the vice chair of the congressional district shall serve as temporary chair of that congressional district caucus.

If no chair or vice chair of one of the current fourteen (14) congressional districts resides in the congressional district, or is unable to attend the district caucus, then the chair of the congressional district shall designate the temporary chair of that congressional district caucus.

If no chair, vice chair, or chair's designee, of one of the current fourteen (14) congressional districts resides in the congressional district or is unable to attend the district caucus, then the State Party Chair shall select the temporary chair of that congressional district caucus.

14. FILLING STATE CONVENTION DELEGATE VACANCIES

In order to increase participation at the congressional district caucuses and the State Convention, the elevation of alternates to delegates shall be a nondiscretionary, automatic and consistently-applied process. At all times during the congressional district caucuses and the

State Convention, alternates shall be automatically elevated to delegates. The District Chairs and other Convention officers have the authority to elevate alternates. Any challenges to the elevation of alternates shall be determined by the Credentials Committee.

State Convention delegate vacancies shall be filled from the alternates within the same county and congressional district as the absent delegate. Thus, if a delegate vacancy is from the 8th congressional district portion of Oakland County, then it must be filled by a duly elected alternate from the 8th district portion of Oakland County. Similarly, if the delegate vacancy is from the Wayne County portion of the 14th district, then the vacancy can only be filled by a duly elected alternate from the Wayne County portion of the 14th district.

In filling vacancies at either the district caucus or on the floor of the State Convention, counties must use the numerical elevation system of alternate elevation. Under this system, alternates within the county or county portion of a congressional district are elected on a numerical basis (first alternate, second alternate, etc.) by the convention or county portion of a congressional district at the time of their election and are elevated to fill delegate vacancies in that order. Thus, the first alternate is given the first vacancy, and so on.

In the event that a delegate arrives or returns to either the district caucus or State Convention floor after an alternate has taken his or her place, the delegate immediately resumes his or her place and shall cast his or her vote on all business which occurs thereafter.

Where an alternate has been elevated and the delegate whose position he or she has taken returns to claim his or her seat, the alternate shall be returned to the alternate pool in his or her original ranked alternate order.

15. MODIFIED UNIT RULE METHOD OF VOTING

On all matters other than issues, the "modified unit rule" shall be used to all votes taken on the floor of the State Convention. Under the "modified unit rule", the delegates present from any congressional district shall vote the entire voting strength of such congressional district. If a poll of the delegates in any district shall show that less than all accredited delegates from a district are present, the voting of the entire voting strength of such district shall be in substantially equal proportion to the vote of those actually present and voting, including abstentions in such poll. The absence of an at-large delegate (a Republican incumbent member of the State Legislature, the Michigan Congressional Delegation, a Statewide Officeholder, the Republican National Committeeman or National Committeewoman from Michigan, one of the fourteen (14) Congressional District Chairs or a Michigan Republican Party Officer) shall not prevent a congressional district from voting its entire voting strength pursuant to this rule. Except for the "modified unit rule" described herein, the use of a unit rule system of voting, or any modification thereof, at county conventions, at the district caucuses, or at the State Convention, is prohibited.

16. PURPOSES OF STATE CONVENTION

The Michigan Republican State Committee ("MRSC") directs that the State Convention of the delegated representatives of the Republican Party of Michigan be held at the Lansing Center on Saturday, April 9, 2016, at 9:00 a.m. Eastern Time, for the following purposes:

- electing ten (10) National Convention at-large delegates and electing ten (10) National Convention at-large alternate delegates
- electing one (1) at-large delegate and one (1) at-large alternate delegate for each of the following public officials elected in the 2014 election:
 - (1) A Republican Governor
 - (2) Membership in the Republican Party of at least one-half (1/2) of the representatives representing Michigan in the United States House of Representatives
 - (3) Membership in the Republican Party of a majority of the members of any chamber of the state legislature
 - (4) Membership in the Republican Party of a majority of the members of all chambers of the state legislature
 - (5) Each Republican U.S. Senator
- receiving reports of the election in the fourteen (14) congressional district caucuses of:
 - (1) 42 National Convention delegates (3 per congressional district);
 - (2) 42 National Convention alternate delegates (3 per congressional district);
 - (3) 14 Convention Vice Chairs (1 per congressional district);
 - (4) 14 Assistant Secretaries (1 per congressional district);
- electing a National Committeeman and National Committeewoman
- transacting other such business as may properly come before the State Convention

17. CONGRESSIONAL DISTRICT CAUCUS REPORTS

Each congressional district caucus report shall be submitted to the secretary of the MRP prior to the convening of the State Convention at 9:00 a.m. Eastern Time on Saturday, April 9,

2016. Each congressional district caucus report shall list the names and mailing addresses of the convention vice chair, assistant secretary, the two members to the Convention Committee on Rules, the three National Convention delegates, and the three National Convention alternate delegates from the district.

The names of the National Convention delegates and alternates elected in congressional district caucuses may be read to the State Convention by the secretary of the State Convention. For each National Convention delegate and alternate, the secretary of the State Convention may announce to the State Convention the presidential candidate for whom the National Convention delegates and alternates are committed to vote.

18. AT-LARGE DELEGATE COMMITMENT

An individual who is seeking election as a delegate at-large or alternate delegate at-large to the 2016 Republican National Convention, who has not previously filed a presidential preference form (see Rule 7), shall file with the Credentials Committee prior to 11:00 p.m. Eastern Time on Friday, April 8, 2016, the presidential preference form described in Rule 7.

The presidential preference form (as described in Rule 7) shall be furnished by the MRP. Each form shall be open for inspection by members of the Michigan Republican Party and shall be kept on file by the secretary of the MRP at least until the conclusion of the 2016 Republican National Convention.

The list of all names placed on the slate created by the Credentials Committee pursuant to Rule 11 and the names of the presidential candidates for whom they are committed to vote shall be read or displayed to the State Convention by the secretary of the State Convention prior to the balloting for the at-large delegates and at-large alternate delegates to the 2016 Republican National Convention.

19. ELECTION OF NATIONAL CONVENTION DELEGATES AND ALTERNATES

A. Allocation of National Convention Delegates and Alternates

National Convention delegates and alternate delegates shall be elected based on the presidential preference vote (the “Presidential Preference Vote”) taken at the presidential primary election, to be held March 15, 2016, or a date to be determined by the Michigan State Legislature. If the legislature chooses a date before March 15, 2016, then the winner-takes-all provision does not apply and the proportion process will be implemented. All challenges with respect to the Presidential Preference Vote shall be heard and determined by the Credentials Committee, whose decision(s) shall be final, unless changed by a two-thirds (2/3) vote of the full State Convention present and voting on Saturday, April 9, 2016.

The Presidential Preference Vote shall be a closed primary. Any Michigan Republican is eligible to vote if s/he is a registered Michigan elector and declares her/his party designation by selecting a Republican-designated ballot at her/his precinct on the primary

election date. Electors may select absentee Republican-designated ballots if qualified to vote by absentee ballot. The names of all electors who select the Republican-designated ballot shall be collected by the Secretary of State and maintained as a public list of Republican-designated ballot voters in a manner similar to the Secretary of State records of voter registration.

B. Designation of Potential Presidential Candidates

The Credentials Committee shall prepare a slate of the potential presidential candidates for the Republican Party to be placed on the ballot (the "Ballot") for the Presidential Preference Vote and provide the Ballot to the State Party Chair, who shall submit the Ballot in a timely manner to the Michigan Department of State, according to the Michigan Election Code. However, the vote of twenty-five percent (25%) of the members of the MRSC elected and serving (not by proxy) may add a name or names to the Ballot while the vote of 66.66% of the members of the MRSC elected and serving (not by proxy) may remove a name or names from the Ballot.

C. Determining the Number of Delegates and Alternate Delegates to be Committed to Each Presidential Candidate

Except as provided in Rule 19E, National Convention delegates and alternate delegates shall be elected based on the votes cast in the Presidential Preference Vote.

If the total vote cast in the Presidential Preference Vote for a particular Republican presidential candidate (or, if applicable, uncommitted) equals at least fifty percent (50%) plus one of the total statewide vote cast for all Republican presidential candidates (and, if applicable, uncommitted) at the Presidential Preference Vote, allocations for National Convention delegates and alternate delegates shall be made as follows:

- (1) That particular Republican presidential candidate (or, if applicable, uncommitted) shall be allocated three (3) National Convention delegates and three (3) National Convention alternate delegates from each congressional district.
- (2) That particular Republican presidential candidate (or, if applicable, uncommitted) shall be allocated all of the National Convention at-large delegates and at-large alternate delegates.

If no particular Republican presidential candidate (or, if applicable, uncommitted) receives fifty percent (50%) plus one of the total vote cast for all Republican presidential candidates (and, if applicable, uncommitted) at the Presidential Preference Vote, allocations for National Convention delegates and alternate delegates shall be made as follows:

- (1) The Republican presidential candidate (or, if applicable, uncommitted) who receives the most votes in the Presidential Preference Vote for a congressional district shall be allocated the three (3) National Convention

delegates and three (3) National Convention alternate delegates for that particular congressional district.

- (2) National Convention at-large delegates and at-large alternate delegates shall be elected on a basis that insures that the proportion of the at-large National Convention delegation that is committed to each Republican presidential candidate equals, as nearly as is practicable, the proportion of the statewide vote that was cast for each respective presidential candidate (or, if applicable, uncommitted) at the statewide Presidential Preference Vote. The determination of these proportions shall only include the votes cast for that particular Republican presidential candidate (or, if applicable, uncommitted), if the total vote cast for that particular Republican presidential candidate (or, if applicable, uncommitted), equals at least fifteen percent (15%) of the total statewide vote cast for all Republican presidential candidates (and, if applicable, uncommitted) at the Presidential Preference Vote (hereinafter the "Threshold Vote").

The State Party Chair shall assure that the proportion of the at-large National Convention delegation committed to a particular presidential candidate (or, if applicable, uncommitted) is equal to the proportion of the statewide Presidential Preference Vote. That number shall be determined by dividing the total statewide Presidential Preference Vote received by each presidential candidate (or, if applicable, uncommitted) by the total statewide Presidential Preference Vote cast for all Republican presidential candidates (and, if applicable, uncommitted), not including within the total statewide Presidential Preference Vote those votes cast for any candidate (or, if applicable, uncommitted) that did not equal or exceed the Threshold Vote. The resulting percentage for each candidate (or, if applicable, uncommitted) shall be multiplied by the number of at-large delegates allotted to the state of Michigan and rounded to the nearest whole number (.5 and above rounds up, below .5 rounds down), which shall be the number of delegates and alternate delegates that that candidate (or, if applicable, uncommitted) shall receive from the at-large National Convention delegation. If as a result of rounding off to the nearest whole number, there are more than the number of at-large delegates allotted to the state of Michigan, the number of positions shall be decreased to the number of at-large delegates allotted to the state of Michigan by subtracting the necessary number of positions from the Republican presidential candidate (or, if applicable, uncommitted) receiving the fewest votes cast at the Presidential Preference Vote. If as a result of rounding off to the nearest whole number, there are less than the number of at-large delegates allotted to the state of Michigan, the number of positions shall be increased to the number of at-large delegates allotted to the state of Michigan by adding the necessary number of positions to the Republican presidential candidate (or, if applicable, uncommitted)

receiving the most votes cast at the Presidential Preference Vote.

D. Selecting the Individual National Convention Delegates and Alternate Delegates

At the congressional district caucuses on Friday, April 8, 2016, the congressional district caucuses shall elect the National Convention delegates and alternate delegates that are allocated to that presidential candidate (or, if applicable, uncommitted) in that congressional district.

At the State Convention meeting on Saturday, April 9, 2016, State Convention delegates shall vote on the slate of at-large delegates and at-large alternate delegates proposed by the Credentials Committee. In the event that a name on the slate is rejected by the applicable State Convention delegates, the Credentials Committee shall suggest a replacement name (which may be the same name) for consideration, as the State Convention only has the authority to reject, but not amend, any name on this slate.

If, after having been selected as a delegate to the National Convention, such delegate is unable to attend the National Convention, then the Credentials Committee shall fill such vacancy with an individual who was selected as a National Convention alternate delegate from the congressional district in which such vacancy occurs; provided, however, that if such vacancy occurs at least seven (7) days prior to the National Convention, the Credentials Committee shall only fill such vacancy after consultation with the District Chair of the congressional district in question. Since the elevation of a National Convention alternate delegate to a National Convention delegate will create a vacancy in a National Convention alternate delegate slot, the Credentials Committee shall select a replacement to fill this vacant National Convention alternate delegate slot; provided, however, that if such vacancy occurs at least seven (7) days prior to the National Convention, the Credentials Committee shall only fill such vacancy after consultation with the District Chair of the congressional district in question.

If, after having been selected as an alternate delegate to the National Convention, such alternate delegate is unable to attend the National Convention, then the Credentials Committee shall select a replacement to fill this vacant National Convention alternate delegate slot; provided, however, that if such vacancy occurs at least seven (7) days prior to the National Convention, the Credentials Committee shall only fill such vacancy after consultation with the District Chair of the congressional district in question.

If, after having been selected as an at-large delegate to the National Convention, such at-large delegate is unable to attend the National Convention, then the Credentials Committee shall fill such vacancy with an individual who was selected as a National Convention at-large alternate delegate. Since the elevation of a National Convention at-large alternate delegate to a National Convention at-large delegate will create a vacancy in a National Convention at-large alternate delegate slot, the Credentials Committee shall select a replacement to fill this vacant National Convention at-large alternate delegate slot.

If, after having been selected as an at-large alternate delegate to the National

Convention, such at-large alternate delegate is unable to attend the National Convention, then the Credentials Committee shall select a replacement to fill this vacant National Convention at-large alternate delegate slot.

E. No Allocation of Delegates Upon the Occurrence of Certain Events

Notwithstanding any provision in these Rules to the contrary, if at any time (even after the conclusion of the State Convention or during the National Convention), a Republican presidential candidate, who takes any of the following actions, shall not be allocated and/or lose any delegates and alternate delegates that he/she may have otherwise been allocated pursuant to these Rules:

- (1) Publicly withdraws from contention as a Republican candidate for President of the United States.
- (2) Suspends his or her campaign as a Republican candidate for President of the United States.
- (3) Endorses another candidate for President of the United States.
- (4) Seeks the nomination of a political party other than the Republican Party for any political office.

The foregoing actions are irreversible. For example, if a Republican presidential candidate suspends his or her own campaign as a Republican candidate for President of the United States, a subsequent withdrawal of such action will not cure the loss of allocation of delegates as provided in this Rule 19E.

In the event that any of the foregoing actions occurs as determined by the Credentials Committee, then the Credentials Committee shall so notify the Republican presidential candidate in question. If the Republican presidential candidate in question disagrees with the Credentials Committee's determination, then the Republican presidential candidate in question must file an appeal with the MRSC within five (5) calendar days of the Credentials Committee's determination. Provided that a timely appeal is filed, a majority vote of the MRSC (either present at any meeting, telephonic conference, or voting by Internet/e-mail) shall be necessary to reverse the determination of the Credentials Committee as to whether any of the foregoing actions occurred.

In the event that a Republican presidential candidate is not allocated and/or loses delegates or alternate delegates by operation of this Rule 19E, such delegates or alternate delegates shall be deemed "uncommitted" delegates and alternate delegates to the National Convention.

F. Contest Procedure

(1) The Credentials Committee is hereby empowered to hear any challenges whatsoever related to the Michigan delegation to the National Convention. The Credentials Committee shall have the power to adopt procedural rules, not inconsistent with these Rules, which shall govern the expeditious prosecution of contests before the Credentials Committee. When any deadline set out in this Rule falls on a Sunday or legal holiday, such deadline shall be extended to the following day.

(2) In order to initiate a challenge whatsoever related to the Michigan delegation to the National Convention, a notice of contest must be filed as provided herein. A notice of contest shall state the grounds of the contest and shall be filed, no later than ten (10) days after the conclusion of the State Convention (unless such deadline is extended by the Credentials Committee), with the State Party Chair and shall be sent, simultaneously, by registered mail to the person or persons being contested. A notice of contest may be filed only by a person who is eligible to participate at any level in the delegate selection process in Michigan.

(3) Only contests that are timely filed under these Rules shall be considered.

(4) For the purposes of this Rule 19F, the term “party” shall mean a person or persons who shall have filed a notice of contest pursuant to this Rule, and the person or person whose right to be seated as a delegate or alternate delegate is the subject of such notice of contest.

(5) Within ten (10) days after a notice of contest is filed pursuant to Rule 19F(2), each of the parties shall file with the State Party Chair at least three (3) printed or typewritten copies of the statement of position in support of the party’s claim to sit as delegates or alternate delegates to the National Convention together with such affidavits or other evidence as desired. The State Party Chair, upon receiving the statement of position of a party, shall furnish the opposing party a copy of said statement of position. Each statement of position shall begin with a summary of not more than one thousand (1,000) words setting forth succinctly a synopsis of the statement of position and a specific statement of the points relied upon.

(6) The Credentials Committee shall render its decision as to each contest as quickly as possible. The Credentials Committee shall promptly serve its decision upon the parties by the most expeditious method available, providing for written evidence of receipt including, but not limited to, overnight delivery service.

(7) Any appeal of the decision of the Credentials Committee may be made to the Republican National Committee pursuant to the Rules of the Republican Party as adopted by the 2012 National Convention. However, no notice of contest may be filed with the Republican National Committee unless a notice of contest has been submitted and decided by the Credentials Committee pursuant to this Rule 19F.

G. Intent to Send Full National Convention Delegation

That the full Delegation of National Delegates and Alternates of the Michigan Republicans be sent to the National Convention in 2016, notwithstanding the fact that the Delegation may be chosen prior to March 1, 2016.

20. A REPRESENTATIVE DELEGATION

Participation in the Republican county and State conventions shall in no way be abridged for reasons of sex, race, religion, color, age, or national origin, and the county and State conventions shall encourage the broadest possible participation by everyone in party affairs.

The county and State conventions shall be open meetings, and all citizens who are qualified electors are urged to participate.

In accordance with the official rules adopted by the 2012 Republican National Convention, the Michigan Republican Party shall endeavor to have equal representation of men and women in its delegation to the 2016 Republican National Convention.

21. STATE CONVENTION RULES

The Rules for the Governance of the April 9, 2016 Michigan Republican State Convention, a copy of which are attached to these Rules as Exhibit B, shall govern the April 9, 2016 Michigan Republican State Convention unless amended. With the exception of Rule 2, Rule 6, Rule 27 and Rule 28, the Rules for the Governance of the April 9, 2016 Michigan Republican State Convention may be amended by a vote of 19 or more members of the Convention Committee on Rules or a two-thirds (2/3) vote of the delegates of the full State Convention present and voting. Rule 2, Rule 6, Rule 27, and Rule 28 may not be amended by the Convention Committee on Rules and may only be amended by a two-thirds (2/3) vote of the delegates of the full State Convention present and voting.

22. WAIVER/COMPLIANCE

In the event that these Rules, or any part thereof, are inconsistent with state law or the Rules of the Republican Party as adopted by the 2012 Republican National Convention (the "RNC Rules"), the Credentials Committee is hereby authorized to take any and all action necessary to: 1) obtain a waiver from the Republican National Committee to insure that these Rules remain in full force and effect; and/or 2) comply with the RNC Rules.

23. AMENDMENTS TO THESE RULES

These Rules may not be amended without the affirmative vote of two-thirds (2/3) of the members of the MRSC elected and serving, and such vote must be in person and not by proxy. Any proposals for amendment to these Rules shall be submitted to the MRSC in writing, at least ten (10) days prior to their consideration.

The absence of an at large delegate (a Republican incumbent member of the State Legislature or the Michigan Congressional delegation, a Statewide Officeholder, the Republican National Committeeman or Committeewoman from Michigan, one of the fourteen (14) Congressional District Chairs or a Michigan Republican Party Officer) shall not prevent a congressional district from voting its entire voting strength pursuant to this Rule. To preserve the privacy of each delegate, all voting for contested candidate nominations or elections shall be done by paper ballot. Each District Chair shall appoint no less than two tellers for the purpose of tabulating the ballots and reporting the results to the District Chair. Number 20:

- (a) That any person seeking election at the State Convention to any office shall first file an affidavit of candidacy (the “Affidavit of Candidacy”) and the written permission of the congressional district chairs (see subsection (b) of this Rule) with the State Party Chair or his designee by Monday, March 21, at 5:00 p.m. Eastern Time. Affidavit of Candidacy forms shall be prepared by the State Party Chair, subject to Policy Committee approval. In the event that any of the information set forth in the Affidavit of Candidacy is untrue for any reason, the Michigan Republican State Committee (by a two-thirds (2/3) vote of those present and voting, including proxies) shall have the authority to rescind the nomination of any candidate nominated at the State Convention, and to select a replacement. The State Party Chair shall then communicate to the county conventions the names of the candidates that have properly filed Affidavits of Candidacy and the written permission of the congressional district chairs (see subsection (b) of this Rule) and the office that such candidates shall be seeking. Any person who does not properly file an Affidavit of Candidacy (either pursuant to this subsection (a) or subsection (c) of this Rule) may not seek election at the State Convention.
- (b) That, after properly filing the Affidavit of Candidacy and the written permission of the congressional district chairs pursuant to this subsection, any person seeking election at the State Convention to any office, shall next seek the approval of the Policy Committee of the Michigan Republican State Committee (the “Policy Committee”) at any regular or special meeting of the Policy Committee which, as either a regular or special meeting, must be held no later than ten (10) days prior to the convening of the State Convention. Approval by the Policy Committee shall only be granted if a candidate obtains and submits the written permission of a minimum of four (4) congressional district chairs elected and serving. For the purpose of approving or disapproving a candidate, the Policy Committee Chair may call a special meeting by means of a conference telephone or similar communications equipment by which all persons participating in the special meeting may hear each other if all participants are advised of the communications equipment and the names of the participants in the conference are divulged to all participants. Participation in a special meeting held pursuant to this Rule constitutes presence in person at the special meeting. No proxy voting shall be allowed at any regular or special meeting of the Policy Committee where approval of the Policy Committee is being requested pursuant to this Rule.
- (c) That only if, for any reason, a person seeking election at the State Convention does not properly file the Affidavit of Candidacy and the written permission of the congressional

district chair (see subsection (b) of this Rule) and/or does not obtain the approval of the Policy Committee pursuant to this Rule, a person seeking election must then first: (1) obtain the written approval of at least seven (7) congressional district chairs elected and serving; or (2) obtain the written approval of any three (3) District members of the Michigan Republican State Committee from at least seven (7) separate congressional districts, before such person's name may be placed in nomination at the State Convention. By no later than ten (10) days prior to the State Convention, a person seeking election of the State Convention pursuant to this subsection (c) of this Rule must file the required approvals and complete and file the Affidavit of Candidacy with the State Party Chair or his designee.

- (d) That approval by the Policy Committee, any congressional district chair, or any regular member of the Michigan Republican State Committee to seek election to any office pursuant to this Rule, shall not constitute an endorsement, nor shall individual members of the Policy Committee, any congressional district chair, any regular member of the Michigan Republican State Committee, or any congressional district caucus delegate be bound to vote at the State Convention for that candidate; rather, approval pursuant to this Rule is merely a prerequisite to seek election at the State Convention.
- (e) That, unless a person properly files an Affidavit of Candidacy as required by subsection (a) or (c) of this Rule and further obtains the approval of the Policy Committee, or absent the approval of the Policy Committee, the congressional district chairs, or the District members of the Michigan Republican State Committee pursuant to this Rule, then a person may not seek election at the State Convention.
- (f) This Rule shall not apply to selection as National Convention delegate or alternate delegate.
